Dear Friends:

As announced in our presale advertising, we find it necessary to substantially reduce our cattle numbers.

We have leased our wheat growing operation which of course materially reduces our overall acres. Our Short-horn herd has been steadily growing through the years and now exceeds carrying capacity.

Rather than a reduction sale we decided to cull off a good number from the bottom end direct to market - this to include the old, the odd, the lame or for whatever reason not considered desirable as brood herd selections.

Thereafter we would as carefully as possible pair up the herd from top to bottom - sell half and keep half - thus accounting for the name . . . . .

#### HALF & HALF BROOD HERD SALE

We are pleased to have you join us,

Sincerely,

Jake Walter

Don Evavold

P. S. The 28 service age yearling bulls include some very desirable prospects; added to the sale to balance the offering.

DEAR FRIENDS IN THE LIVESTOCK BUSINESS:

The popularity of Shorthorn breeding stock has been leaping . . . not because of something newly discovered . . . but, with the increased excitement in cross-breeding, ranchers and stockmen of all the fields are hurrying to the centuries old genetic foundation available in this famous breed.

This 35 year old pioneer Lakeview Herd has amassed many of the greatest Shorthorn family lines and thence developed a distinctive Lakeview pattern. The depth of Lakeview breeding has been firmly established and brings repeat customers each year from California, Nevada, Utah, Wyoming, Montana, Idaho, Oregon and Washington.

Lakeview cows are not pampered. They raise their calves under rough, rocky range condition. Good health and good milking qualities are a part of their heritage.

This offering presents, in my opinion, the finest opportunity to make brood herd selections . . . at any age level . . . whether a weaner calf - open heifer - prime 3 year old - or older proven cow.

I warmly recommend the cattle to you,

Sincerely,

Si Williams

Si Williams Sales Management

Young Bulls Developed on Rocky Terrain  
Means Good Feet and Legs

## TERMS & CONDITIONS

Terms of sale are cash, settlements to be made at the clerks office directly following the sale.

All animals of service age are sold as guaranteed breeders as prescribed under recommended procedures of the American Shorthorn Association. All animals with known or obvious defects will be eliminated. Attention will be called at time of sale to any observed defects which might have escaped attention but without obligation on any point overlooked.

All animals will become the responsibility of the purchaser from the time declared sold in the ring. They will be fed and cared for until delivery or shipping can be arranged. Care for a longer period can be provided by personal arrangement between purchaser and sellers.

Health and brand clearances will be supplied to permit movement to any point.

Registration certificates will be transferred to the purchaser by the sellers upon the Association record following sale.

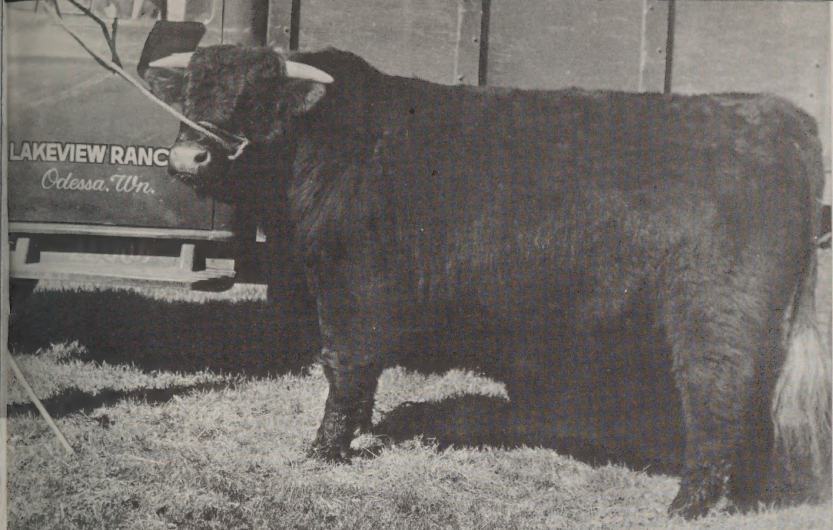

Purchasers interested in pool shipment of cattle to a central point in the direction of their destination are asked to contact the sale clerk as far in advance as possible. The sellers will assist in completing arrangements at a minimum cost.

Everyone attending this sale does so of their own responsibility and without liability on the part of the sellers.

Si Williams Sales Management, its owner, employees and assistants are acting only as sale representatives of the sellers and are without further responsibility or liability legal or otherwise.

Scheduled airline connections are available at Spokane and Moses Lake, Wash. Please contact us if you need assistance to reach the ranch. Motel accommodations are available at Odessa and surrounding towns - reservations gladly arranged.

Red 3411889		Red -407736-		Killearn Norma Redwood 2nd-Red

PLF Rosewood Mint was purchased at the annual Inland Empire Shorthorn Sale, Spokane, '72. His sire was jointly owned by Allen Wilson of New Norway and the Remitall Cattle Co., Olds, Alberta, Canada. He was Calgary Grand Champion and Top Selling Bull in Alberta All Breeds Sale at \$4,800. We purchased Rosewood Mint because of the structural correctness and length of body he displays. He has been used quite extensively at Lakeview Ranch.

## Reference Sire C    Remitall Favorite 3364-762-423300-

Calved June 7, 1967 - Dark Roan - Tattoo RE NGA32Y

REMITALL PRINCESS		
ROYAL Dk. Roan -539241-		

Remitall Favorite was purchased from the Remitall Cattle Co. of Olds, Alberta in May 1968. His sire, Remitall Hercules has produced many Champions and High Selling bulls of the continent. One of these was Remitall Choice Mint, a very popular bull which sold for \$5,100 to the McIvers of Farewell, Minn.. Remitall Favorite has been a "very busy boy" since coming to Lakeview having sired many bulls and heifers. All uniform in quality and appearance. The 36 bulls sold to Allied Land and Cattle Co., French Glen, Oregon were nearly all by him. 22 of the 28 bulls in this sale are his sons.

We consider him a real "Cattleman's Kind".
